LET YOUR DREAMS COMES TRUE

THE GREATEST STORIES ARE DEEPLY CONNECTED TO PASSION AND THE DREAMS THEY INSPIRE. THE 1960S ARE CLOSELY ASSOCIATED WITH THE PURITY OF RACE CAR DESIGN, MAKING THESE MACHINES UNIQUE AND LEGENDARY WORKS OF ART. AN INSPIRING DECADE, WHERE CAMARADERIE THRIVED IN THE PADDOCKS.

AS A TRIBUTE TO THIS GOLDEN ERA OF MOTORSPORT, WE FOUNDED **CLASSIC RACING SCHOOL**, THE WORLD'S FIRST HISTORIC DRIVING SCHOOL. A UNIQUE CONCEPT DESIGNED TO IMMERSE YOU IN THE SENSATIONS OF DRIVING IN AN ATMOSPHERE REMINISCENT OF MOTORSPORT'S GOLDEN AGE.

DRIVE AUTHENTIC

HISTORIC SINGLE-SEATERS

CROSSLÉ 90F SINGLE-SEATERS

Reissued in only 13 units and based on the first Formula Ford produced by Crosslé in 1969, our single-seaters are entirely hand-built in the original factory using period-correct plans to ensure authenticity.

PERFORMANCE AND PLEASURE

Equipped with a 125hp Ford engine and weighing only 420kg, paired with a 4-speed manual gearbox, these single-seaters represent the essence of pure automotive driving, delivering an unparalleled experience.

VERSATILITY AND SAFETY

While staying true to their original spirit, our cars have been enhanced with modern improvements to provide greater reliability, safety, and accessibility for all driving levels.

RENDEZ-VOUS AT CIRCUIT DE CHARADE

IN THE HEART OF VOLCANOES

JUST LIKE HOME

Since 2017, we have made Circuit de Charade our home track. With premium facilities, including a trackside lounge and dedicated workshop, this legendary location offers the perfect setting for a unique driving experience. Additional circuits are also available, each providing a distinct dimension to our programs.

ABOUT CIRCUIT DE CHARADE

Nestled in the heart of the Auvergne mountains, Circuit de Charade stretches across 4 km of winding roads overlooking Clermont-Ferrand. Inaugurated in 1958, it remains France's only mountain circuit, having hosted legendary moments such as four Formula 1 Grand Prix races between 1965 and 1972. This world-renowned historic track has preserved its original charm, set against an exceptional natural backdrop. Stirling Moss himself called it «the most beautiful circuit in the world.»
